

Young Men of Purpose is beneficial to me in one way. And that is that I know what a privilege it is to be able to go to a classroom that teaches you life lessons that I will use for the rest of my life. There are 3 things that push me through the day. And those 3 things are basketball, YMP and wanting to be the person my cousin didn't get the chance to be and I think about how every day there are kids starving to death or overdosing on drugs. So for me to carelessly walk into a class and learn everlasting skills makes it even more of an honor.
