

Payroll Deduction Program

"Thank you very much for taking a portion out of your well-earned money and putting it towards this scholarship. I am so grateful to be given this award, and I feel so honored that I was chosen to be a recipient of this scholarship. Your hard work is seen and cherished, and we are all so thankful for everything you do for us.

Thank you very much to everyone who makes the Brownsburg community what it is today."

That is how one recipient felt after receiving a scholarship from the Brownsburg Education Foundation, sponsored by all of you last school year.

BCSC employees joined together in 2022 and sponsored a record number of scholarships to the graduating class of 2023! By giving to the Brownsburg Education Foundation through the Payroll Deduction Program, BCSC employees sponsored 27 of the 53 scholarships awarded this past spring. **Thank you to all payroll deduction participants!** Your hard work and dedication to the children of Brownsburg help make this a community where families want their kids to grow up. You make a difference in the lives of these students every day.

If you do not currently participate in payroll deduction, I hope you will consider giving \$2 per paycheck (\$52 per year) toward this worthy cause. **If you already give \$2 per paycheck and can increase this amount, I hope that you will consider this as well!** EVERY DOLLAR will make an impact, and all money from the Payroll Deduction Program will award scholarships to future graduating BHS seniors.

The 27 recipients of scholarships given on behalf of the BCSC employees in the BHS Class of 2023 include:
