SUMMER READING CHALLENGE

Dear Brownsburg Families,

Brownsburg students have worked hard to reach their reading goals this year. Their hard work and enthusiasm have paid off in incredible ways. The teachers are very proud of all of the students' hard work and want to encourage all students to continue growing their skills by participating in the Summer Reading Challenge.

Students are encouraged to read 15 minutes per day over the summer. Students can read independently or with a family member. Your student will complete the Summer Reading Challenge by reading at least 45 days over the summer. After completing the Summer Reading Challenge, students will be invited to a special event coordinated by your elementary school when school resumes. More information will be shared when students return to school.

HAVE FUN READING!

IN A NUTSHELL...

- Read at least 15 minutes per day for 45 days
- Have a parent initial the calendar each day that you read
- Attend the celebration at your school!
