

Subject: Support Brownsburg Students - Action Needed for All Participants

"I wanted to give the Brownsburg Community School Corporation staff many thanks for your generosity in providing me funding and support for the scholarship I received. I attended Brownsburg schools all the way from kindergarten and, until recently, I had no idea how lucky I was to have such a strong system bringing me up."

This grateful graduate received one of **27 scholarships** that BCSC employees sponsored for the Class of 2025 through the payroll deduction program. This past school year, participating employees funded nearly half of the scholarships awarded to our graduating class.

For Current Participants

ACTION REQUIRED: ALL CURRENT PAYROLL DEDUCTION PROGRAM PARTICIPANTS must [CLICK THIS LINK](#) to confirm their information for the coming school year, regardless of whether you're making changes to your contribution.

For All Employees

This coming school year, you have MORE ways to make an impact. Whether you're continuing your support or joining for the first time, your payroll deduction can support:

- **Scholarships** for graduating seniors
- **Grants** that enhance classroom experiences and support staff throughout our district
- **Both programs equally** to maximize your impact

Many employees are discovering that grants provide immediate benefits to students and teachers right here in our schools - including potentially your own classroom or building—funding innovative projects and resources that enhance learning every day.

Ready to make a difference?

- **Current participants:** Confirm your information using the link above
- **New participants:** For as little as \$2 per paycheck (\$52/year), you can [CLICK THIS LINK](#) to register and join your colleagues in supporting our students

Choose how you'd like your contribution directed and help us *Enhance Education Together!*

Thank you for supporting our Brownsburg school community through the Brownsburg Education Foundation!
