

Payroll Deduction Program

"I am honored to be among one of the students chosen for this scholarship. I appreciate and would like to thank the Brownsburg Community School Corporation employees for making this scholarship possible through their hard work, kindness, and generosity."

That is how one recipient felt after receiving a scholarship from the Brownsburg Education Foundation, sponsored by all of you last school year.

BCSC employees joined together in 2023 and sponsored a RECORD NUMBER of scholarships to the graduating class of 2024! By giving to the Brownsburg Education Foundation through the Payroll Deduction Program, BCSC employees sponsored **29** of the 56 scholarships awarded this past spring. **Thank you to all payroll deduction participants!** Your hard work and dedication to the children of Brownsburg help make this a community where families want their kids to grow up. You make a difference in the lives of these students every day!

If you do not currently participate in payroll deduction, I hope you will consider giving \$2 per paycheck (\$52 per year) toward this worthy cause. **If you already give \$2 per paycheck and can increase this amount, I hope that you will consider this as well! EVERY DOLLAR** will make an impact, and **all** money from the Payroll Deduction Program will award scholarships to future graduating BHS seniors.
