

2026 - 2027 Brownsburg Education Foundation InCredible Award Recipients

In April 2026, the Brownsburg Education Foundation awarded 14 grants totaling \$20,556.53 to the staff of the BCSC for implementation during the upcoming school year.

RECIPIENT(S)	LOCATION	TITLE	AMOUNT
Lenore Delamarter and Terri Cupp	Brownsburg Early Childhood Center	Bounce and Balance for Bitty Bulldogs <i>This grant purchased mats and balance beams for preschool students to use for indoor recess and sensory breaks, helping develop their gross motor skills, strength and balance.</i>	\$1,229.08
Markie Carr, Leah Thompson and Elizabeth Wright	Brownsburg Early Childhood Center	Listen Up, Little Learners! Tonies for the Classrooms <i>This grant purchased TonieBoxes and Tonie figurines to enhance early literacy development, foster a love of reading and create engaging, multi-sensory learning opportunities that build strong foundational skills for lifelong learning.</i>	\$2,432.41
Michele Pinkerton	Cardinal Elementary School K - 5 Bridge Program	Big Boards, Big Voices - Say It Your Way <i>This grant purchased SMART Communication Boards for the Bridge classes at Cardinal Elementary. These boards will enhance communication opportunities, increase academic engagement and create alternate access to the learning environment.</i>	\$5,200.00

RECIPIENT(S)	LOCATION	TITLE	AMOUNT
Stephanie Borem, Dawn Mayer, Katrina Rodriguez and Alethea Bennett	Brown Elementary School K - 5 Applied Skills Program	Success Starts with Sensory <i>This grant purchased various sensory supplies to help them better regulate their bodies in the classroom setting, resulting in improvements with maladaptive behavior, attention to tasks and overall academic achievement.</i>	\$985.18
Allyson Smith, Samantha Kendrick, Leanne Wheeler, Sara Walroth, Lindsay Terry, Emily Garrard, Gabby Pavese, and Kady Falls	All elementary school High Ability 2/3 classes	Fairy Tale Forensics <i>This grant funded a virtual outreach program through the STEMLab at the Children's Museum that integrates language arts with science. Students have a hands-on experience solving a case of the Three Bears using evidence, observation, and drawing conclusions while challenging themselves to use their critical and higher order thinking skills.</i>	\$600.00
Kimberly Williams, Stefanie Lange, Jen Bower, Nicole Wilson and Dee Pauley	Brownsburg East Middle School	Hands-on Equations <i>This grant purchased Hands-On Equations to be used with all 6th grade math students to help them gain a solid understanding of how to solve equations. Through the use of these hands-on manipulatives, complex, foundational math skills are broken down into single, concrete steps that help these students progress through middle school math and beyond.</i>	\$817.26
Vanessa DeFoe	Brownsburg East Middle School	Digital Painting and Drawing <i>This grant purchased digital drawing tablets that will be utilized by both Art Club students as well as the eighth-grade art curriculum.</i>	\$1,278.40

RECIPIENT(S)	LOCATION	TITLE	AMOUNT
Shannon Walmoth, Lori Wood, Laura Bragg, Bryce Evans and Sarah Squire	Brownsburg West Middle School	Getting Your Hands on 6th Grade Science <i>This grant purchased materials, including science board games, heating pads for seed growing, and balls for solar system models, to support 6th grade Indiana Science Standards through hands-on learning experiences.</i>	\$1,338.37
Shae Otts, Trisha Beckman, Tammy Borden, Elle Hahn, Hannah Haverly, Alisha Konkle, Jaret Starnes and Maycee Burden	Brownsburg East and West Middle Schools	Classkick.com Subscription <i>This grant funded teacher subscriptions to Classkick.com, a platform piloted as a free tool during the 2025-2026 school year. The experience proved so valuable that teachers quickly recognized how the paid version's expanded features could deepen student practice and provide more meaningful feedback.</i>	\$960.00
Angela Fritz	Brownsburg High School	The BHS Fine Dining Experience <i>This grant funded supplies for crafting course-paired beverages, formal table settings, and a restaurant-quality environment, empowering culinary students to run a fine-dining experience and build real-world industry skills.</i>	\$831.00
Rachel Day	Brownsburg High School	Textiles and Fibers Exploration <i>This grant purchased wool, looms and dyes that will empower the Family and Consumer Sciences students to deepen their understanding of fibers and textiles through a hands-on learning approach as they create their own yarn, dye materials using various methods and weave.</i>	\$859.87

RECIPIENT(S)	LOCATION	TITLE	AMOUNT
Dawn Mayer	Brownsburg High School	Brownsburg Robotics Sensory Adventure Boards <i>This grant purchased materials for Brownsburg Robotics Club team members to create a variety of sensory boards that provide essential tactile, visual and calming supports for other students with high sensory needs, helping them regulate, engage and learn more successfully.</i>	\$861.07
Megan Wysong	Brownsburg High School	"See Me" Through My Lens <i>This grant purchased a color printer to be used by photography students to facilitate experience with various clientele as well as giving the Applied Skills students a photography experience that is suited more to their needs and their comfort level.</i>	\$663.89
Jennifer Frick, Chris Kaflik, Ed Roush, Emily Mack and Lynne Throope	Brownsburg High School	United Sound <i>This grant funded a one-time school registration and materials fee to give BHS access to United Sound, which empowers students with disabilities to develop musical skills, build confidence and experience a sense of belonging.</i>	\$2,500.00
		TOTAL	\$17,268.53
