

Newspaper Stands

at Brownsburg High School

Sponsored in part by

Students impacted: 3,200 per year | Subject: Newspaper

This grant for new newspaper stands at Brownsburg High School positively impacts the students by providing easy access to the newspapers produced by the newspaper class. Previously, newspaper students passed out copies of the student-produced newspaper during 1st period classes. The result of this is that students without a 1st period didn't have easy access to the newspaper. Additionally, if students are absent or if copies ran out, students didn't have a way to receive the newspaper. With newsstands placed around the school, the newspaper staff will be able to replenish them with newspapers and allow interested students to have easy access to the paper, even days after delivery.
